

Employing an Early Career Teacher from 2023 onwards

If you are looking to employ an Early Career Teacher (ECT) (formerly known as NQTs), you can now begin the process of registering them with the Local Authority as the Appropriate Body (AB).

Registration costs vary depending on the Induction Programme chosen by the school and the level of quality assurance the AB needs to undertake. More information about the choices of Induction Programmes are available here: www.early-career-framework.education.gov.uk

Please note: Schools will need to first complete a quote request form in order to purchase the package which can be found here: www.supportservicesforeducation.co.uk/Services/3120
