

MA EDUCATION

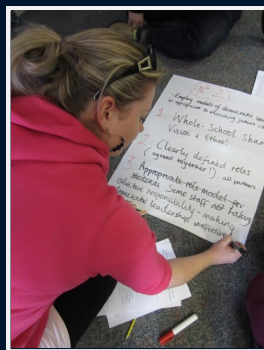

THE UNIVERSITY OF WORCESTER IS NOW DELIVERING
ITS MA EDUCATION IN TAUNTON

This flexible taught masters course is designed primarily for those who work or aspire to work in any field of Education. Delivered on a part-time basis, the course can be completed in 3 years.

Modules 2020/21:

An Introduction to Coaching and Mentoring explores what is meant by the terms 'coaching' and 'mentoring' within the education sector, and also the skills required to be an effective mentor and coach.

Contemporary Issues in Education: Theory, Policy and Practice introduces the key ideas in critical theory in the context of education and offers students the opportunity to explore the relationship between theory, policy and practice.

**APPLY NOW TO START IN
OCTOBER 2020**
