“That they may have life, life in all its fullness” John 10:10

Key achievements to date	Areas for further improvement and baseline evidence of need
<p>Continued involvement with Sainsbury’s Sports Award Scheme – “Gold Standard” retained for a 4th Year</p> <p>The school has achieved great success in the Stockland Cross Country, a competitive league covering East Devon.</p> <p>The enhancement of the provision of the EYFS area has made a significant impact to the children’s outside space environment.</p>	<p>Continued involvement with Sainsbury’s Sports Award – Assessing areas for further improvement in order to achieve the “Platinum Standard”</p> <p>To introduce the ‘Daily Mile’ throughout the school to increase levels of fitness and to contribute to the health and wellbeing of staff and children.</p> <p>To organise an after school club in the summer term with particular focus on Pupil Premium children and our less active pupils.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
<p>What percentage of your current Year 6 cohort swims competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.</p>	Due to the local pool closing unfortunately we were unable to meet the criteria this year. We are actively seeking to meet this criteria next year.
<p>What percentage of your current Year 6 cohort uses a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	Due to the local pool closing unfortunately we were unable to meet the criteria this year. We are actively seeking to meet this criteria next year.
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	Due to the local pool closing unfortunately we were unable to meet the criteria this year. We are actively seeking to meet this criteria next year.

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Due to the local pool closing unfortunately we were unable to meet the criteria this year. We are actively seeking to meet this criteria next year.

	attending for the full 2 sessions also receive a varied healthy tea.		<p>make their own tea such as wraps or eat what they have cooked in cooking club.</p> <p>The physical activities give the children the opportunity to become involved in healthy outdoor fun with friends and also enter into physical activity, rather than going home and possibly playing on electronic games or sitting watching TV.</p> <p>With the cooking club, children experience cooking in the kitchen in a safe way and learning to try foods that they may not get at home. It also teaches them about being healthy which, sometimes, transforms into a healthier lunchbox.</p>	
EYFS (Early years foundation stage)	A physical activity area outside the early years foundation building with access to all age groups.	£13,000	<p>The creation of this project provides an outside area which encompasses play space, a garden area, music area, water play, bug garden, outdoor classroom and reading corner. It meets the requirements for children to have opportunities for 'under, over and through' play which is safe to use by incorporating an 'up and over' tunnel.</p> <p>The benefits to the children from this provision will be greater opportunities for more physical activities through play. The exposure to the out-doors will help to develop the children's knowledge of nature and the wider world outside of the classroom. To realise the children's full physical</p>	To continue this project as part of our whole school development plan, we are looking to invest and improve our outside main playground area to further develop our physical space provision.

			<p>potential at this stage of their learning, it is necessary for them to develop their fine motor skills.</p> <p>This area also provides an additional outside space for the breakfast and after-school club provisions.</p>	
Hire of Village Hall	Hire of Village Hall to create space for gymnastics and dance.	£1,000	Ability to participate in indoor physical activity and meeting curriculum specifications	To continue for the foreseeable future due to lack of space at school

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				
School focus with clarity on intended impact on pupils:	Actions achieved:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
The PE Co-ordinator has continued to mentor 1 member of staff in order to support the children in KS1.	This gives the school a depth of staff with the skills and knowledge in order to support the children.		This increases the level of skills needed as the children enter KS2 to enable participation in school tournaments. Team work is a particular focus along with multi skills.	To continue adding new schemes of work as they become available.
The PE Co-ordinator plus one other member of staff attended the yearly PE Conference run by SASP	Increased staff knowledge of new approaches and ideas to deliver PE		A greater understanding of delivering a balanced and effective PE curriculum.	Due to unforeseen staff shortages we were unable to attend this but do intend to do so in the next academic year.
The PE Co-ordinator and other members of staff attending tournaments	Providing cover to allow participation in planned events	£450	Allowing children to participate in competitions	To continue
Transport Costs	Providing transport as and when needed to enable access to events/curriculum supported.	£869	Transport costs such as attending tournaments enables participation as set out on the curriculum. Costs are substantial due to the area of the schools location.	

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				
School focus with clarity on intended impact on pupils:	Actions achieved:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Additional achievements: The school is a member of the Somerset Cricket Board "Chance to Shine" which provides the school with a coach to come and give the children a higher level of coaching in cricket	This gives the Teaching Staff a depth of knowledge to continue the level of coaching received by the coach. Forging links with our local cricket clubs.	£95	It allows children to play cricket with experienced coaches which they may not otherwise experience. It also encourages children to engage to join a cricket club outside of school.	To continue annually
Stockland Cross Country	Gifted Cross Country runners are given the opportunity to compete amongst similar abled children.	£25	Encourages others to work towards a place at this event, raising more interest in our lunchtime school running club and increasing fitness levels.	Rolling out the daily Mile will further improve fitness levels.
Residential trip. KS2 Year 5/6 Pupils	Opportunities to experience unusual outdoor physical activities.		Enabled Pupil Premium children to attend and access this residential	Bi-annual residential
