Behaviour - If the Golden Rules are broken

You will be reminded of the Golden Rule you have broken and what you should be doing. You will be asked to think about it. Your name may be written on the board.

If poor behaviour is repeated your peg will be moved down, resulting in a loss of Golden Time.

If poor behaviour continues you will have to explain what you have done to another adult and make amends.

We will phone home and you will have to explain your unacceptable behaviour to your parents/carers.
