How can this be?
How can this be?
Why have you chosen me?

Why have you chosen me?

Lord I will do
All that you ask me to.
May all your words and
promises come true.

Praise be to God.
Holy is his name.
This servant girl
Will never be the same.

Lord we will do
All that you ask us to.
May all your words
And promises come true.

Nobody Wants to Know
Where will we find a place
for the night?
Somewhere to rest 'til
dark turns to light.
Someone please rescue us
from our plight.
Nobody wants to know.

*Don't go knocking here
Don't go knocking there
There's guests in every
room*

*There's no room we can
spare oh!*

Where will they find a
place for the night?
Somewhere to rest 'til
dark turns to light.
Someone please rescue
them from their plight.
Nobody wants to know.

*Let us see your money
Let us see your face.
You look like two
strangers.*

*There's no room in this
place oh!*

Where will they find a
place for the night?
Somewhere to rest 'til
dark turns to light.
Someone please rescue
them from their plight.
Nobody wants to know.

Little Baby
Little baby do not cry,
I will sing a lullaby,
I will hold you in my arms
And keep you from all
harm.

Little baby do not fear,
We will keep you very near.
In your manger as you lay,
We will watch and pray

Humming

One day we will hear Him
say,

"Come to me, I am the
way."
He will hold us in His arms,
And keep us from all harm.

Little baby do not cry.
Lulla, lullaby.

Something Extra Special
What do you see?
A baby in a manger, A baby
in a manger.

*But there's something
extra special,
There's something extra
special,
There's something extra
special, right here!*

What do you see?
A mother and a father, A
mother and a father.

*But there's something
extra special,
There's something extra
special,
There's something extra
special, right here!*

What do you see?
I see a king, and I shall
carry him.

extra special,
There's something extra
special,
There's something extra
special, right here!
Right here!
Right here!

We have treasure to

Of gold and myrrh and

You are my brother

You are my brother
You are my friend
You are my sister
Our love should never end.

What ever colour
Our skin or our hair.
Let us live together
This is our prayer.

Lift your banners high.
Work for justice and for
peace
Lift your banners high
May our friendship never
cease.

Lift your banners high
We will sing in every land.
Lift your banners high.
For in Jesus' name we
stand.
