

KS1 Recognise Reliability – Represent Responsibility

Materials to use as part of Home Learning

Recognising reliability is part of our New Wessex Computing planning and our ActiveBYTE online safety scheme of work. Our [Recognise Reliability webpage](#) has a range of materials for learning and teaching to support our learners to acquire and use knowledge reliably across the curriculum. These materials can be used as part of home learning.

<p>Learning outcomes:</p> <ul style="list-style-type: none"> ✓ I know it is important to check information ✓ I know I must be responsible when I tell others about information 	<p>Building on expectations:</p> <ul style="list-style-type: none"> ✓ I use links to websites to find information ✓ I know that not all information online is true ✓ I am starting to understand that other people have created the information I use 	<p>Reinforcing habits:</p> 
<p>Suggested activities:</p> <ul style="list-style-type: none"> • Watch KS1 reliability 1 • Explore Apple Ant website to identify images and text that may be unreliable • Watch KS1 reliability 2 • Create a creature • Create a 'website about the creature' 	<p>Video for learning:</p> <p>These explanations and setting of tasks are available on eLIM Education Technology YouTube channel</p> <ul style="list-style-type: none"> • KS1 Reliability 1 Our responsibilities Consideration of Apple Ant website • KS1 Reliability 2 Creation of a creature Reminder of habits when I use technology 	<p>Links to support learning:</p> <p>For families</p> <ul style="list-style-type: none"> • Swiggle search engine • Apple Ant website • Building habits KS1 and/or Building habits LKS2 <p>Other support materials</p> <ul style="list-style-type: none"> • Slide set that can be used instead of video. • KS1 Recognise responsibility poster • KS1 Recognise responsibility 'knowledge map'
