Follow-up Homework

All pupils who attend the Osmington Bay trip are expected to produce a piece of good quality homework.

This could take the form of a piece of artwork on any aspect of the trip: a drawing, painting, collage, a photo-story, an annotated map, a series of sketches, etc.

Or the homework could be a piece of writing, possibly entitled:

' My Favourite Part Of The Trip To Osmington Bay'.

This could take the form of a detailed diary entry (including illustrations), a story, a newspaper report, poem or a brochure promoting the trip.

Computers may be used to support work.

Deadline Date: Thursday 7 May
