Dear Sir/Madam

Learning Support Assistant (SEMH)

Thank you for your interest in the above vacancy. I enclose a job description, person specification, school information and application form for you to complete.

All posts in our school are very important and this role is no exception. This letter will tell you a little about our school and also about what we are looking for in the role of Learning Support Assistant (SEMH).

There is much written about the strengths of our Federation by OFSTED, amongst others. The staff offer support for each other and make it a very rewarding place to work. We are a good team and it is expected that people joining our staff will be keen to join in this collaboration to support the children in their learning and in their general growing up.

Completed application forms should be submitted by **Friday 15 December**.

I look forward to reading your completed application form.

Yours sincerely

Peter Elmy
