

Greenfylde's home learning guidance for parents during COVID-19 pandemic

First point of contact

For up-to-date information, please visit the school website:

<https://www.somerset.org.uk/sites/greenfylde/Pages/Welcome.aspx>

If you cannot find what you are looking for, please contact the school directly by emailing the school office on greenfylde@educ.someret.gov.uk or call the school on 01460 52686.

Home learning activities

For 23rd March, please use the grid with '30 things to do'. These are on the school website at the bottom of the home page. On Monday 20th April and then on each Monday thereafter (term-time), a weekly home learning post will go live on Tapestry and the school website (key stage pages) at 10am. This will take the form of a grid similar to the one we sent out when we initially closed. There will also be websites you can go to for additional activities (please see appendices).

Tapestry

We have loved getting updates from you, it's been great to see how the children are getting on during this unusual situation. It's been fabulous to see the wide range of things that you've all been up to at home. Please continue to add to your child's journal as you wish. We will continue to reply to these messages as often as we can during school hours.
