

***Welcome to  
Ashton  
Autumn 2019***

Dear Parents and Carers,

Please find an 'at a glance' timetable for this first half term of Year Three. Any queries about anything, please come and talk to one of us in class. At the end of the day is always best - but if morning is easier for you, then don't hesitate to come in. If you would prefer to speak on the phone then if you leave a message with Tina or Amy in the office then I will call you back.

Monday	PE Spellings
Wednesday	Times tables test Swimming Golden Time
Friday	Mental maths

Children will have an opportunity to change their reading book daily, but now they are in Key Stage 2, we will expect them to take responsibility for doing this themselves. We would also like children to read at home for at least 5 minutes on three occasions in the week. This could include reading by themselves and then talking about the book over tea. It does

not have to be the school book, it could be their own choice.

<i>English</i>	<i>Maths</i>	<i>Science</i>
Little Red Riding Hood - settings Newspaper Report - Non-fiction	Place value, addition and subtraction methods	Animals including humans - teeth and digestion
<i>RE</i>	<i>History</i>	<i>PSHE</i>
Creation Harvest	The Ancient Greeks	(SCARF) Healthy Lifestyle
	<i>Design &amp; Technology</i>	Growing and Changing
	The Great Bake off	
<i>Computing</i>	<i>French</i>	<i>PE</i>
E-Safety Programming - Pro-bots Scratch	Food	Gymnastics Swimming

Each week your child will have an opportunity to learn and practice their times tables and on

Wednesday there will be a short test of their current table. This will be a timed test to prepare the children for the test the government will introduce in Year Four. We will also have a Mental Maths test each week which will focus on key skills of number bonds, addition and subtraction facts.

How you can help:

- Encourage your child to read every day.
- Help your child learn their times tables
- Practise the mental maths questions each week
- Encourage your child to find words using the spelling pattern they are given each week.
- Celebrate their achievements - however small.

If you would like to come into class to help, then please come and ask one of us in class. Regular volunteers will need to be DBS checked for Greenfylde School. Tina, in the office, will help with this and there is no cost.
