The Bus Drivers (parent volunteers) are at the Bible Christian Centre at 8:25am each school morning. The Walking Bus **departs at 8:40am prompt** and the children are walked safely into School. The Walking Bus runs come rain or shine. All the children benefit from the short walk before school and enjoy the 'chitter chatter' along the way.

Bus Drivers please note:

- Parents must hand over their children to you in the morning.
- Please ensure the children wear the orange high viz jacket before and during the walking bus.
- Once at school please ensure the children put their jacket into their book bag or hand back to you.
- Please hand over the high viz jacket bag to the next person on the rota when you get into school in the morning.
- If raining, the jackets may need to be hung out to dry so they don't go mouldy.
- If you can't be there on your day arrange a replacement by contacting another driver on the above list.
