

## Home Learning from the BBC Coming soon!

Beginning Monday **20 April**, BBC Bitesize will publish daily online lessons for all ages. They will also have a new dedicated TV channel full of learning content, podcasts on BBC Sounds and loads of educational video on iPlayer.

From [bbc.co.uk](http://bbc.co.uk):

***You'll be able to access regular daily lessons in English and Maths, as well as other core subjects, in an expanded version of our website and also on special programmes broadcast on BBC iPlayer and BBC Red Button.***

***We've worked with our colleagues in other parts of the BBC and education experts from around the UK to make sure everyone who needs it can access learning resources during this uncertain time. You can also expect some of it to be delivered by well-known faces.***

This will be a fantastic resource for all classes and children as young as 3, and we encourage you to make as much use of it as possible alongside the work packs and recommendations from your child's teacher.

We will publish further information, direct links as these become available along with any specific recommendations for each class via the school website.

Look out for information updates in mainstream media and visit <https://www.bbc.co.uk/bitesize> to familiarise yourself with the website.

Very best wishes,

Vanessa May, Ruth Culham, Esther Lomas, Michelle Mitchell & Helen Swainson
