

Week beginning 1st of June

Dear Badgers!

Hello! I hope you had a good half term, weren't we lucky with the weather! The boys and I camped out in the garden, one night it got so cold we all went back into the house! I bet you are ready to get on with some activities to keep those amazing brains of yours full of learning! It's such a shame that we aren't able to see each other but I think of you and know how well you are doing at home.

- Try to read everyday (5-10mins) - this can be anything that you have at home. (Oxford Reading Owl : Username: hedgehogs123 password : read)
- Write in your writing journals - think of your favorite character from a story and think of some sentences that describe the character, you could also draw a picture.
- <https://www.ictgames.com/mobilePage/helpAHedgehog/index.html> a great phonic game!
- <https://whiterosemaths.com/> go to home learning tab and find the year 2 activities. (you don't have to print them, you can copy from the screen onto a piece of paper)
- <https://www.topmarks.co.uk/maths-games/daily10> they do a daily 10 math's session, try to do this every day.
- Keep practising your number bonds (for 10, 20 and 100), doubling and halving to 20 and 2 5 10 times table. (Snappy Maths have great worksheets)
- <https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/zxxsyrd> this is a science task about plants.

<https://www.theickabog.com/read-the-story/> J K Rowling has written a new book called The Ickabog. Have a look, there is even a competition to draw illustrations for the book, entries have to be in 17th of July.

Be active - on our website, click on clubs and sports tab for some fun activities.

Most of all keep safe and take care

I miss you all

Love From Mrs Mitchell

Be smart Stay apart!

Wash your hands

Stay safe
