

Week beginning 20th of April

Dear Badgers!

Hello my lovely children, I hope you had a good Easter Holidays. I think my boys and I have eaten our body weight in chocolate! This week you need to be getting back into doing some home learning. Try to do a few activities a day.

- Try to read everyday (5-10mins) - this can be anything that you have at home. (Oxford Reading Owl is good)
- Write in your writing journals - a recount of some of things you did over Easter.
- <http://www.letters-and-sounds.com/> has some good phonic games that you can play.
- <http://www.snappymaths.com/year2/> have a look at addition and subtraction sheets. (you don't have to print them, you can copy from the screen onto a piece of paper)
- <https://whiterosemaths.com/> go to home learning tab and find the year 2 activities. (you don't have to print them, you can copy from the screen onto a piece of paper)
- <https://www.topmarks.co.uk/maths-games/5-7-years/counting> play some maths games.

Remember to keep active - Andy's Wild workouts on cbeebies are good (if you need a break from Joe Wicks!)

Have a look at <https://www.bbc.co.uk/bitesize> for more things that you can do at home.

Have fun, play games, cook, draw and enjoy spending time with your families. If you have any questions please email the school.

I can't wait to see what amazing things you have been doing.

Take care and keep working hard!

I miss you all

Love From Mrs Mitchell
