

Week beginning 22nd of June

Dear Badgers!

Hello! I hope that you are all doing well, both my boys have virtual sport days happening this week. They have to choose a task a day and record how they did. William was keen, Henry not so much! I hope that you are trying to be active everyday 😊

- Try to read everyday (5-10mins) - this can be anything that you have at home. (Oxford Reading Owl : Username: hedgehogs123 password : read)
- Go to our age group (6-7) and read/listen to Jess and the Bean Root.

- Write in your writing journals - imagine that you have planted some magic beans. Write about climbing the bean plant, what did you find? What does the giant look like? Did you take anything?
- <https://www.ictgames.com/mobilePage/viking/index.html> can you go full circle?
- <https://www.topmarks.co.uk/maths-games/daily10> they do a daily 10 math's session, try to do this every day.
- <https://www.bbc.co.uk/bitesize/articles/zcbwr2p> - lesson all about measure.
- Keep practising your number bonds (for 10, 20 100), doubling and halving to 20 and 2 5 10 times table. (Snappy Maths have great worksheets and topmarks hit the button is a good game to practice with)
- <https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/z2vdjxs> find out about the life cycle of plants.
- Art – go outside and draw some of the plants in your garden. Have a look at Vincent Van Gogh Sunflowers, it's bright and beautiful – have a go at recreating it. Here's a link for on You tube <https://www.youtube.com/watch?v=rU-LTH2Qts>

The weather is about to turn lovely and warm again, the Met Office are doing some great activities about weather. Have a look at this one about clouds :
