

Week beginning 15th of June

Dear Badgers!

Hello! I hope that you are all well and are doing a few learning activities a day. Just a little can really help you keep up with your learning. In school we have been learning about minibeasts, we have made caterpillars and butterflies. This week we are going to find out about ladybirds and spiders.

- Try to read everyday (5-10mins) - this can be anything that you have at home. (Oxford Reading Owl : Username: hedgehogs123 password : read)

Go to our age group (6-7) and read/listen to Attack of the Centipede and do the activities.

- Write in your writing journals - imagine that you can shrink like Tiger, write about your own adventure! What minibeast did you come across?
- <https://www.ictgames.com/mobilePage/tellATRex/index.html> can you feed the dinosaur!?
- <https://whiterosemaths.com/> go to home learning tab and find the year 2 activities. (you don't have to print them, you can copy from the screen onto a piece of paper) This week it's shape!
- <https://www.topmarks.co.uk/maths-games/daily10> they do a daily 10 math's session, try to do this every day.
- <https://www.ictgames.com/mobilePage/hundredHunt/> you can play this with your mum, dad or siblings!
- Keep practising your number bonds (for 10, 20 100), doubling and halving to 20 and 2 5 10 times table. (Snappy Maths have great worksheets)
- <https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/z9fkwmn> great lesson about minibeasts.
- Art - go onto Youtube and type in the search bar - How to draw minibeasts - lots of good clips come up for you to follow. The boys and I did the How to draw an ant.

Children In Need have launched their design a duck competition have a look :
