

Week beginning 8th of June

Dear Badgers!

Hello! I hope that you and your families are all doing well. My boys and I have got back into our learning and have organised ourselves into some sort of routine. Try to do a few activities a day and keep up with your learning.

- Try to read everyday (5-10mins) - this can be anything that you have at home. (Oxford Reading Owl : Username: hedgehogs123 password : read)
Go to our age range (6-7) and see if you can find Prefect Pets to read. It's a non-fiction book all about pets.
- Write in your writing journals - draw a picture of your pet or a pet you would like. Then write some sentences about it eg What do you feed your pet? Where does your pet sleep? Has your pet got a clever trick?
- <https://www.ictgames.com/mobilePage/forestPhonics/index.html> this is a spelling game, how many words can you make and which animals can you see?
- <https://whiterosemaths.com/> go to home learning tab and find the year 2 activities. (you don't have to print them, you can copy from the screen onto a piece of paper)
- <https://www.topmarks.co.uk/maths-games/daily10> they do a daily 10 math's session, try to do this every day.
- <https://www.ictgames.com/sharkNumbers/mobile/index.html> a great place value game.
- Keep practising your number bonds (for 10, 20 and 100), doubling and halving to 20 and 2 5 10 times table. (Snappy Maths have great worksheets)
- <https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/zp92xnb> I great lesson about mammals. Do you have any mammals at home.

<https://www.theickabog.com/read-the-story/> J K Rowling has written a new book called The Ickabog. Have a look, there is even a competition to draw illustrations for the book, entries have to be in 17th of July.

The boys and I have enjoyed watching Spring Watch over the last couple of weeks, go to bbc iplayer and watch some of the amazing episodes and clips.

Be active - on our website, click on clubs and sports tab for some fun activities.
