

Dear Badgers!

I hope your first week of Home learning has gone well and you have enjoyed some of the activities that I put into your pack. I'm looking forward to you showing me your work when you come back to school. Lots of bookmarks stickers will be given out I'm sure!

Hopefully you are trying to read everyday (5-10mins) - remember to get your grown up to record any reading that you have at home. Doesn't have to be your reading books, it can be recipes, instructions, books form home etc. Some of you will be Reading Ambassadors when you come back and those of you who already are I will have to think of another reward for excellent home reading. (I'll get my thinking cap on!)

Carry on with the activities from your pack, I'm hoping that you have done one writing task in your journal. My boys both wrote in there's last week - William wrote a story about Batman and Henry did a report on fast cars!!!

Also, my boys and I are doing the Joe Wick's workout everyday - my legs hurt a lot!! Remember to keep active, get all the family to join!

This week go onto [www.topmarks.co.uk/maths-games](http://www.topmarks.co.uk/maths-games) and have a go at hit the button. You can practice number bonds, doubles, halves or even your times table. My whole family had a go and we had a competition, Mr Mitchell won 😞

[www.readon.myon.co.uk](http://www.readon.myon.co.uk) have a look at this website. It has hundreds of free books to look at and they can even be read to you!

Take care and keep working hard!

I miss you all

Love From Mrs Mitchell
