

Week beginning 6th of July

Hello! I hope you are all doing well. Only two more weeks left of this term left! In some ways the time feels like it's gone quick and in other ways it's been a very long time since I last saw you!

- Try to read everyday (5-10mins) - this can be anything that you have at home. (Oxford Reading Owl : Username: hedgehogs123 password : read) Go to our age group (6-7) and read/listen to Let's Make Comics.

- Writing journals - you can follow the instructions and make a comic or think up some fun characters and have a go writing some speech bubbles like on pages 16-17.
- <https://www.bbc.co.uk/bitesize/topics/z8x6cj6/articles/z3dcmsg> this is about how to use exclamations marks in your writing.
- <https://www.bbc.co.uk/bitesize/topics/zqhp2p/articles/zc84cwx> learn all about homophones.
- <https://classroom.thenational.academy/subjects-by-year/year-2/subjects/maths> go to exploring calculations strategies and do a lesson a day.
- <https://www.topmarks.co.uk/maths-games/daily10> they do a daily 10 math's session, try to do this every day.
- Keep practising your number bonds (for 10, 20 100), doubling and halving to 20 and 2 5 10 times table. (Snappy Maths have great worksheets and topmarks hit the button is a good game to practice with)
- <https://classroom.thenational.academy/lessons/eat-well-live-well-8f5dd2> a great PSHE lesson about how to be healthy.

Remember to keep active and spend time outside!
