Dear Badgers!

Hello! What a lovely week of weather we had I hope that you were able to be outside and enjoy it. My boys made a massive race track with old drain pipes in the garden, I hope at some point they will tidy it away! Hopefully you have done a few activities over the week, practicing some of the important skills that you have already learned. Keep up the good work, I'm proud of you. Here are a few things that you can do this week.
