

Week beginning 18th of May

Dear Badgers!

Can you believe it week 7! Well done everyone! Keep up the good work. This week would have been walk to school week because of Covid-19 outbreak it has been moved to October. But I thought that this week's activities could be linked to Walk to School - this year's theme is **HEALTH AND WELLBEING**. This year we're celebrating the incredible physical and mental health benefits that walking brings to us all.

- Try to read everyday (5-10mins) - this can be anything that you have at home. (Oxford Reading Owl : Username: hedgehogs123 password : read) Go to our age group 6-7 and look at Winnie and Wilbur stay at home it's a nice story about being in lockdown, find out how Winnie and Wilbur cope.
- Write in your writing journals - write about a walk you have been on, where did you go? What did you see? Who did you go with?
- <https://www.ictgames.com/mobilePage/helpAHedgehog/index.html> a great phonic game!
- Play I spy when you are out on a walk or Play 20 questions - Carry something in your hand and have your child/parent guess what it is over the course of your walk.
- <https://whiterosemaths.com/> go to home learning tab and find the year 2 activities. (you don't have to print them, you can copy from the screen onto a piece of paper)
- <https://www.bbc.co.uk/bitesize/topics/z2grd2p/articles/zwv6b82> a great lesson about how to use directions and turns. When out for a walk give your adult instructions on directions.
- Keep practising your number bonds (for 10, 20 and 100), doubling and halving to 20 and 2 5 10 times table. (Snappy Maths have great worksheets)
- <https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/zdk46v4> Geography find out about maps, have a go at drawing a map of one of your walks.

Collect things when you are out for a walk and bring them home then create a sculpture like one of Andy Goldsworthy's.

Be active - on our website, click on clubs and sports tab for some fun activities.

Most of all keep safe and take care

I miss you all

Love From Mrs Mitchell

This is a picture of my boys on one of our walks. They love exploring!!
