

'Roots to Grow and Wings to Fly'

St Bartholomew's First School Virtual Science Week 2020

'The important thing is to never stop questioning.' Albert Einstein

During Virtual Science Week we have a range of activities for you to complete with your family. Each family will be provided with a Science Experiment Home Kit which has been kindly funded by an anonymous donation. Each day there will be a video on our Facebook page explaining and demonstrating the activities of the day.

Here are some scientific activities for you to complete.

1. Science Experiments for Home Kit

2. Engineering Challenge's

3. SCIENCE AT WORK - Meet the Scientists (Link to a video meeting the scientist of the day will be available on our Facebook Page).

You can decide whether to complete all three, two or just one. We would love to see these activities you are completing with your family on our Facebook page.

Virtual Science Week 2020

	Science Experiments for Home Kit	Engineering Challenge's	SCIENCE AT WORK! Meet the Scientists
Monday	Walking Water Which way, wind?	Balloon Car Race	Meet Florence Nightingale
Tuesday	Straw Instrument Fun with Foil	Design and build a helicopter	Meet Two Doctors
Wednesday	The Magic Towel Pop the Top!	Boat Powered by a Chemical Reaction	Meet Gene Cernan
Thursday	Balloon Speakers It's Electric	Cardboard Chair	Meet Isambard Kingdom Brunel
Friday	Rock and Roll Ice Cube Fishing	Homemade Water Bomb	Meet Two Engineers
