

# How to grow a sunflower

Writing instructions

# Subheadings

Remember to use some key headings for your instructions;

- You will need
- Equipment
- Instructions

# A Hook

You will need a hook at the beginning of your instructions to hook your reader in!

## Remember our past ones.

- For many years, the world's top chefs have been experimenting with ingredients to bake the most scrumptious Victoria sponge. Carefully, follow the precise set of instructions below and you too can enjoy a delicious tea-time treat. It really is a piece of cake!
- When a dragon is on the loose in your kingdom, you can be left in a bit of a sticky wicket. Follow these set of instructions and you will never have to fear a dragon again!

Can you think of one for your Sunflower instructions hook!
