Photographic/Digital Images Consent Form (digital images)

We take the issue of data protection, privacy and our commitment to the safeguarding of children and young people seriously. Under our Data Protection duties we want to make sure we only use digital images of pupils with prior consent from a parent or guardian.

We will seek parental permission on admission to the school and when changes happen for example General Data Protection Regulation (GDPR). If you give parental consent for your child to be photographed/digitally recorded and the digital images used as detailed below, please complete, sign and return the form to the school office. This consent forms part of our Data Protection Policies.
